Acceptable Use Policy - Pupils

The aim of this Acceptable Use Policy is to ensure that pupils will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. Therefore, if the school AUP is not adhered to this privilege will be withdrawn and appropriate sanctions will be imposed.

It is envisaged that school and parent representatives on the Governing Body will revise the AUP annually. Before signing, the AUP should be read carefully to ensure that the conditions of use are accepted and understood.

This agreement is designed to ensure that all pupils are aware of their responsibilities when using any form of IT and the related technologies such as email, the internet, and mobile devices.

This version of the AUP was revised October 2016 by Mrs. D. Brett, E-safety lead.
