

*Hello everyone!*

*Did you enjoy learning all about bubbles this week? Mrs Ainslie has been at school this week so I have been keeping myself busy at home.*

*I read our story of the week 'Bubble Trouble', but my tongue ended up in a tickly tangle! I looked for words and letters I recognised - I found lots of 'B' for Bearemy!*

*I looked around the house for other things that had words and letters in them and tried to work out what they might be saying.*

*I played I-spy and found lots of different coloured things all around Mrs Ainslie's house!*

I had a mindful minute while  
I was out on my walk,  
stopping to think about what  
I could see, hear, taste, feel  
and smell.

I learned all about capacity...by  
doing the washing up! I made  
sure the washing up bowl was  
nearly full to the top - that took  
a lot of water!

I hope you have all had a good week. Don't forget  
to write back to me, I am a bit lonely now that I am  
by myself at home!

Lots of love,

Bearemy
