

Slaley First School

Friday 4th February 2022

Dear Parents/Carers,

We have had a lovely week in school and even though it is still cold there is maybe a hint of brighter and lighter mornings; how lovely! Everyone by now should have their Parents' Consultation times for next week and we are looking forward to being able to hold these in school ... Let's hope we can continue to open up for more of these things as time progresses.

We have been streamlining our homework system for Class One and Two and now all homework for both classes will come home on Friday with the view to being returned on the following Wednesday. This makes it easier for you as parents, especially when you have children in both classes. Breakfast and After School Club booking forms will be on their way next week and if you could pop them back into school as soon as possible, this would be much appreciated.

Have a wonderful weekend everyone,

Mrs Hayward

Attendance Cup Winners This week
(Percentages based on last week's
attendance figures)

Class Two – 89%

Well done Class Two who are our
winners!

Our last day at
school this half term
is Friday 18th
February and we
return on
Monday 28th
February.

What is happening in the coming
weeks...

Tuesday 8th February – Safer
Internet Day

We have activities planned in order
to help the children to stay safe
online.

Wednesday 9th / Thursday 10th
February – Parent Consultations

Thursday 17th February
Film Night – Showing the film
'Onward' (rated U) in school.

The children will bring home a
letter on Monday which will ask
Parents/Carers to indicate if they
would like a ticket.

Thursday 3rd March
World Book Day – We have lots of
exciting things planned including
an Alice in Wonderland themed
lunch and a Writers' Workshop
held by a local author from
Humshaugh

Little Reminders ...

We aim to ensure
that all papers, books
etc are in bags before
the children are
dismissed, but
please can we ask that
you double check
that they are before
the children leave the
school grounds. This
will avoid any items
being blown onto the
road and will ensure
that we keep the
children as safe as
possible.
