Dear

We would like to offer our most sincere thanks and gratitude for the promise of goods or service that you kindly gave to make our auction night so successful last Saturday 12th November 2016. We raised £5,582 on the night, with a final figure to be published on our website as we are still receiving donations.

FOSS have been quite literally astounded by the generosity of the local people and businesses in the Tynedale Valley and further afield throughout Northumberland, Newcastle-upon Tyne and North Yorkshire.

The event was well supported by the teachers, parents and grandparents of Slaley First School, and especially from people living in the local and wider community. Everyone had a fun evening and bid with enthusiasm to secure one of the 77 varying auction lots.

Our auction evening would not have been such a success if it had not been for your generosity, and we thank you once again.

Yours sincerely

FOSS and Slaley First School
