

FoSS Christmas Cake Decorating Event – 30th November 2021

Please can we firstly say a huge thank you to Mrs English and Ali for putting this evening together and making all of the Christmas cakes. Ali's demonstrations were really informative and gave us lots of ideas to try ourselves. We are all very grateful for their help throughout as I think we all needed some kind of intervention to make our cakes look as presentable as they ended up being. It was a great success and produced lots of beautifully decorated Christmas cakes. We raised £253.56 after expenses for school. Thank you to everyone who supported this event and a massive extra thank you to Mrs English and Ali.

We had generous donations for prizes for the raffle and are, as ever, very grateful to the local businesses who were able to help (including the Rose and Crown for letting us borrow some glasses for the evening).
