

Hello everyone!

I love hearing from you and seeing what you are all up to, you are doing a great job learning from home.

We are using the internet for lots of learning and working at the moment. I have been learning about keeping safe online by watching Jessie and Friends.

I also went for a long walk in the sunshine. My little legs had a bit of trouble keeping up with Mrs Ainslie, so I sat on the wall for a while.

Then I watched Number Jacks and went on a number hunt around the house.

We spent some time in the garden. Our flowers are growing lots! I think I could start a flower shop. Can you help me to count how many we have?

On Friday, we had a virtual tea party for VE day, and Mr Ainslie's Mummy's special birthday. We got dressed up for the occasion!

What have you been doing this week?

Lots of love,

Bearemy
