

*Hello everyone!*

*I hope you have had a good Week 2 of learning from home and that you are all keeping safe and happy at home.*

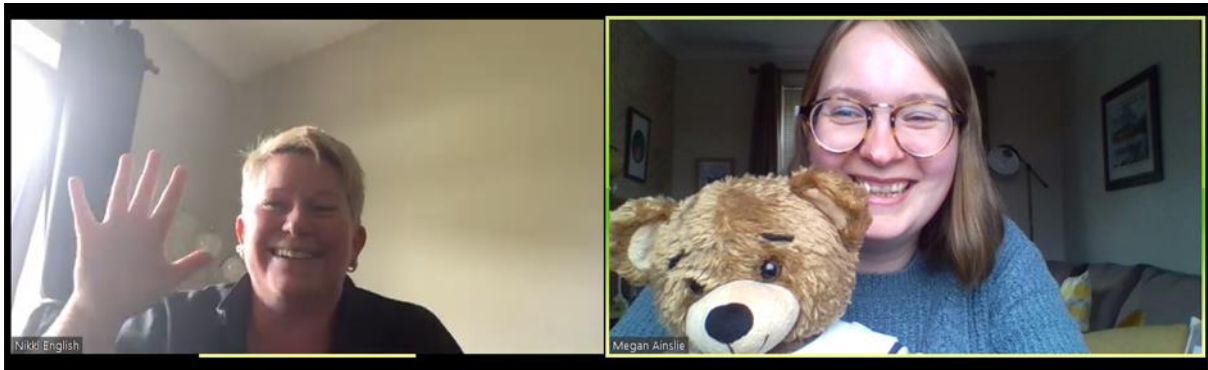

*This week I helped Mrs Ainslie to do her school work from home.*

*My favourite part was reading your emails and seeing what you are all up to!*

Some of the jobs we needed to do were tricky, so we asked Mrs English for some help.

Seeing Mrs English made me think about our favourite Charlie Bear dance, Agadoo. Mrs Ainslie found it for me on Youtube and we gave it a go at home.

Then I helped Mrs Ainslie to look for some fun Easter activities for you to do in the school holidays. I hope you have a nice time with your family, keep busy and keep active!

Lots of love,

Bearemy
